

5% PRICE BEAT GUARANTEE

Ground Engaging Tools (G.E.T) can represent one of the highest ongoing expenses for a business and along with replacement wear parts and rubber tracks & pads, the costs can begin to add up. At Fortus we not only source and supply quality products, but we endeavour to do so at competitive prices.

And we're that confident with our pricing, that we've introduced a **5% Price Beat Guarantee***. That's right, if you find a competitor's price for an identical item stocked by Fortus, at less than our quoted price, we'll beat it by 5%, that's **our price guarantee to you**.

How to Claim your 5% Price Beat Guarantee

1. Record the price

Keep a record of your lower priced competitor quote for verification.

2. Let us know

Contact Fortus by phone, email or visit one of our branches and advise you have a "lower priced competitor quote".

3. Verification & Save \$

Send through your purchase order with the prices adjusted to take advantage of the price beat guarantee.
